

Math support for curious learners.

CHICO + ONLINE

Thoughtful, individualized guidance for homeschool and public school students—meeting each learner where they are.

Math educator

Zach brings patience, clarity, and a steady sense of humor to math support. Sessions are shaped around the student, their goals, and the way they learn best.

- One-on-one tutoring and ongoing support
- Homeschool and public school students
- In-person sessions in Chico and online

Percussionist & drum educator

Also available for lessons, workshops, and ensemble coaching.

Rooted in more than 20 years of apprenticeship with Cuban, Brazilian, and West African musicians.

- Private hand drum and drum kit lessons
- Small-group classes and community workshops
- Ensemble coaching and dance accompaniment
